

Structure Water

A highly energized, structured, mineralized, oxygenated and purified living water!

Vitalizer Plus is scientifically documented to: 1. Structure water - powerful magnetic and infrared forces reduce the size of individual water clusters, creating Hexagonal Water for more rapid penetration into the cells of your body. 2. Increase Oxygen - turbulent forces create a visible vortex, increasing the amount of oxygen in your drinking water - up to 30%. 3. Add minerals - a mineral core within the unit, releases structure-making minerals during the vitalizing process to help structure the water and increase alkalinity. 4. Add energy - the resulting energy in Vitalized water is enough to begin to balance the organs of your body - within minutes after drinking.
